

About CDBB-2018

We are pleased to invite you and your students to attend the Research Day and Open Orientation-2018 at the Institute of Biosciences and Biotechnology, CSJM University, Kanpur on the 20th and 21st April 2018 with the theme "Current Developments in Biosciences & Biotechnology (CDBB-2018)".

The aim of CDBB-2018 is to expose students to the current emerging scientific discoveries in basic and applied biological sciences. CDBB-2018 hopes to fuel excitement and wonder in the students regarding our evolving understanding of the world around us and the applications of this knowledge in the fields of agriculture, medicine, Industry and evolving technologies for sustainable human development.

Participants are invited to participate in one or more events organized to celebrate current developments in Biosciences & Biotechnology: Debate, Model making, collage making, research based poster presentation. Registration will be required if you are wishing to participate in any event.

The Departments at IBSBT will also hold an Open Orientation in these two days showcasing the significance and importance of their particular specialization as well the facilities offered for their study. Career counselling will be an important part of CDBB-2018 and all are welcome to be part of it. No registration is required for the open orientation program.

We look forward to active participation from your undergraduate and postgraduate biological science students in CDBB-2018. CDBB-2018 hopes to showcase to students the various new and exciting career option in the biological fields.

Research Day & Open Orientation Program

Theme
Current Developments in Biosciences & Biotechnology-2018

Chief Patron
Prof. Neelima Gupta
Vice Chancellor, CSJM University, Kanpur

Patron
Prof RC Katiyar
Pro Vice Chancellor, CSJM University, Kanpur

Convenor
Dr Shilpa Kaistha
Director, IBSBT

Organizing Committee

Department of Microbiology
Dr Shilpa Kaistha, Dr Manishi Tripathi, Dr Ekta Khare, Dr Archana Yadav, Ms. Shilpi Uttam, Mr. Shailendra Kumar

Department of Biotechnology
Dr Madhulika Singh, Dr Varsha Gupta, Dr Vishal Chandra, Dr Annika Singh, Dr Devbuksh Singh, Dr Swasti Srivastava, Dr Shalini Verma, Dr Vijay Singh, Mr Amar Katiyar

Department of Biochemistry
Dr Neerja Srivastava, Dr Shashwat Katiyar, Mr Rajesh Kumar

Department of Environmental Sciences
Dr Dharam Singh, Dr Droupti Ydav, Mr Rahat Niyazi

Department of Nutritional Sciences
Dr Aameena Zaidi, Dr Anamika Dixit

Department of Food Technology
Dr Dipti Rai, Dr Ajay Maurya

Mr Jitendra Kumar, Mr Himashu, Mr Shreepakash

C.S.J.M.U. KANPUR

INSTITUTE OF BIOSCIENCES & BIOTECHNOLOGY

Organizes Research Day & Open Orientation Program

Theme
**CURRENT DEVELOPMENTS IN
BIOSCIENCES & BIOTECHNOLOGY
(CDBB-2018)**
ON

25th and 26th April, 2018

Highlights

- *Poster, Collage, Model making and Debate & Quiz competition*
- *Career Counselling in various disciplines of biological sciences*
- *Research Seminars*

About the Institute

The Institute of Biosciences & Biotechnology, situated in the green CSJM University, Kanpur Campus offers higher education in the frontiers areas of Biosciences and Biotechnology. IBSBT offers BSc (Biotechnology) and MSc (Biochemistry, Biotechnology, Environmental Sc, Food Technology, Microbiology and Nutrition Sciences) courses.

IBSBT offers educations and research guidance by highly qualified faculty and state-of-the-art infrastructure, laboratory facilities and a student centric teaching ethos. IBSBT conducts research in the areas of microbial remediation, plant growth promoting bacteria and bioproducts, biocontrol strategies for pathogens, medical biotechnology, immunotechnology, autoimmune disease diagnostics, plant tissue culture, biochemical stress physiology, ecotoxicology, remote sensing, nutraceuticals, food technology and processing.

Funding from DST, DBT, DAE, CSIR, UGC, CST(UP), RUSA and CSJMU research grant has helped strengthen the research and teaching facilities in the Institute.

Students of IBSBT have made us proud by pursuing research in renowned International and National laboratories. Students clear JRF-NET (CSIR, UGC), GATE, ARS, ICMR upon completion of their courses and pursue higher educational degree. Students are placed in reputed Institutes and industries in good positions.

Call for Presentations

Eligibility and Registration Details:

All undergraduate and graduate in biological sciences are eligible to attend CDBB-2018.

While the registration to the event is free, it is mandatory for participating post graduate students to register their poster/ collage / model and debate presentation such that arrangements for the same can be made. A total of 300 Registrations will be accepted on first cum first basis.

Registration is compulsory. No fees for registration

Guidelines for abstracts for research poster/ collage/ making model making submission:

Abstract title should contain name of author with affiliation and email address.

Abstract should be in English with 12 font in times new roman with maximum 250 words.

For acceptance and publication of the abstract the author should register for the symposia.

All the abstracts in soft copy in MSWord) should be submitted to 'cdbb2018@gmail.com' by 20th April 2018.

Poster size should be 3'(h) x 2 (w)'. There will be limited poster slots.

Research Poster/Collage or theme based poster presentation/Model making: maximum 4 members per group

Debate: 2 member group per Department

Quiz: Individual

Posters/Collage and Model will be prepared before hand and displayed on designated sites.

25th Apr 2018: Poster/Collage/Model Presentation

26th Apr 2018: Debate and Quiz

Topic for Debate will be provided on 25th April to participating teams.

Photograph of duly filled Registration form along with Abstract may be emailed to cdbb2018@gmail.com' . Please bring copy of registration form/ acknowledgment to participate in the event.. Last Date of Registration: 20th April 2018

Contact No. 7704985491; 9670656388
